## God's Garden

*God looked around the garden and found an empty space  
He looked down upon the earth and saw your tired face  
He put His arms around you and lifted you to rest  
Gods garden must be beautiful for He only takes the best  
He knew that you were weary and he knew that you were in pain  
He knew that you would never be well on earth again  
He saw the roads were getting rough and the hills were hard to climb  
So he closed your weary eyelids and whispered Peace be Thine*

## Amazing Grace

Amazing grace! How sweet the sound  
that saved a wretch like me!  
I once was lost, but now am found  
was blind, but now I see

'Twas grace that taught my heart to fear  
and grace my fears relieved  
how precious did that grace appear  
the hour I first believed

The Lord has promised good to me  
His word my hope secures  
He will my shield and portion be  
as long as life endures

Through many dangers, toils, and snares  
I have already come  
'tis grace has brought me safe this far  
and grace will lead me home

When we've been there ten thousand years  
bright shining as the sun  
we've no less days to sing God's praise  
than when we first begun

Amazing grace! How sweet the sound  
that saved a wretch like me!  
I once was lost, but now am found  
was blind, but now I see

I once was lost, but now am found  
was blind, but now I see
